**PETITION UNDER 37 C.F.R. 1.137(a)**

OFFICE OF PETITIONS

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

Pursuant to 37 CFR 1.137(a) this is a Petition to revive an unavoidably abandoned application for failure to respond to a Notice to File Missing Parts mailed January 31, 2002. An Affidavit of the practitioner in this application (the undersigned representative) and an Affidavit of Mr. Kwame Brown are attached. While Examiner Shakeel Ahmed may have believed that an Notice to File Missing Parts was sent, since the Notice to File Missing Parts allegedly contains the correct correspondence address for the Applicant's representative, neither Mr. Kwame Brown, employee of McDonnell, Boehnen, Hulbert & Berghoff, ("MBHB") the Applicant's representative of record in this case, nor the undersigned representative ever received a copy of the Notice to File Missing Parts. Therefore, the entire delay in filing the required reply from the due date for filing the reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(a) was unavoidable.

As Mr. Kwame Brown (U.S. Patent and Trademark Docket Clerk) attests in his affidavit, no Notice to File Missing Parts dated January 31, 2002 for the instant case was ever received by MBHB, otherwise he would have entered the Missing Parts Notice and due date for responding to the Missing Parts Notice into the MBHB docketing system and placed the Notice to File Missing Parts in the file jacket of the application. Furthermore, Mr. Kwame Brown attests that a search of the MBHB file jacket and docket records indicates that the Notice to File Missing Parts was never received. A copy of the MBHB docket records where the non-received Missing Parts Notice would have been entered had it been received and docketed is appended to Mr. Brown's affidavit.

Similarly, the undersigned representative attests that no Notice to File Missing Parts dated January 31, 2002 for the instant case has ever been received, and that a search of the MBHB file jacket and docket record for this application indicates that the Missing Parts Notice was never received. A copy of the MBHB Attorney Docket review sheet where the non-received Missing Parts Notice would have been entered had it been received and docketed is appended to the undersigned representative's Affidavit.

Accordingly, the Applicants submit that the abandonment of this application was either the fault of the Patent Office for failure to mail out the Missing Parts Notice despite the fact that the correspondence address for the Applicant's representative was allegedly correct, or the fault of the U.S. Postal Service for failure to deliver the Missing Parts Notice to the Applicant's representative, assuming that the Missing Parts Notice was mailed out by the Patent Office.

Because the abandonment was due to the fault of the Patent Office or U.S. Postal Service and not the Applicants, the Applicants do not believe that any Petition fee is required. Accordingly, the Applicants submit that withdrawal of the Notice of Abandonment for this application and restoration of the application into pending status are in order and are respectfully requested.

Prompt consideration of this Petition and a favorable decision are respectfully requested.

The Commissioner is authorized to charge any deficiency or credit any excess in this fee to Deposit Account No. 13-2490.

**AFFIDAVIT OF DAVID S. HARPER**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

I, David S. Harper, being duly sworn, hereby state:

1. I am employed as patent attorney at the law firm of McDonnell, Boehnen, Hulbert & Berghoff ("MBHB") and am handling the prosecution of this application on behalf of Niels Krebsfanger, et al.

2. I submit this affidavit in support of a Petition to revive an unavoidably abandoned application for failure to prosecute pursuant to 37 C.F.R. 1.137(a) for this application.

3. I learned for the first time that this patent application was abandoned when I received the Notice of Abandonment dated January 9, 2003. However, based on my search of the MBHB file jacket of this application, and my review of the MBHB's Attorney Docket review Sheet (Copy Attached Exhibit B), I do not believe that the Notice to File Missing Parts dated January 31, 2002 for the instant case was ever received by MBHB. Had a Notice to File Missing Parts dated January 31, 2002 been received by MBHB, the March 31, 2002 due date of the Notice to File

Missing Parts would have been entered into the MBHB docket report. Similarly, the Notice to File Missing Parts would have been attached to the file jacket of this application. My search of the file jacket of this application and docket records indicate that the Notice to File Missing Parts was never received.

Respectfully Submitted,

McDonnell, Boehnen, Hulbert & Berghoff

**AFFIDAVIT OF KWAME BROWN**

Assistant Commissioner for Patents  
Washington, D.C. 20231

**RECEIVED**  
FEB 05 2003  
OFFICE OF PETITIONS

Sir:

I, Kwame Brown, being duly sworn, hereby state:

1. I have been employed as a U.S. Patent and Trademark Docketing Clerk at McDonnell, Boehnen, Hulbert & Berghoff ("MBHB"), the Applicant's representative of record for this application, since December 11, 2000.

2. As part of my duties as U.S. Patent and Trademark Docket Clerk, I am responsible for entering all communications to and from the U.S. Patent and Trademark Office into the MBHB computerized docketing system, including the due dates for responding to all Office Actions by the Patent Office, and manually entering the incoming U.S. Patent and Trademark mail into a daily log book.

3. I submit this affidavit in support of a Petition to revive an unavoidably abandoned application for failure to prosecute pursuant to 37 C.F.R. 1.137(a) for this application.

4. Subsequent to the Notice of Abandonment dated January 9, 2003, I learned that this application was abandoned for failure to respond to a Notice to File Missing Parts dated January 31, 2002. However, based on my search of the MBHB file and computerized and manual docketing records for January 28, 2002 through April 1, 2002 (copies attached as Exhibit A), I do not believe that a Notice to File Missing Parts dated January 31, 2002 for the present case was ever received by MBHB. Had a Notice to File Missing Parts dated January 31, 2002 been received by McDonnell, Boehnen, Hulbert & Berghoff, I would have entered the March 31, 2002 date of the Notice to File Missing Parts Response into the docket report under the column entitled "Action" and delivered the file with the attached Office Action to the responsible attorney, David S. Harper. My search of the file and docket records indicate that the Office Action was never received.

Respectfully Submitted,
